Title 9, Code of Federal Regulations, Subchapter A – Animal Welfare, Parts 1-3

National Research Council. *Guide for the Care and Use of Laboratory Animals: Eighth Edition*. Washington, D.C., Academic Press, 2011.

American Dairy Science Association, the American Society of Animal Science, and the Poultry Science Association. *Guide for the Care and Use of Agricultural Animals in Research and Teaching*. Third Edition. Champaign, IL. 2010

2. Policy:

2.1. The *Guide* and 9CFR1-3 shall serve as the primary minimum standards for the care and use of all vertebrate animals used in biomedical research, teaching, or testing programs sponsored by OSU or conducted on OSU premises.

2.2. The *Ag Guide* shall serve as the primary minimum standard for the care and use of all vertebrate farm animals (*e.g.*, horses, cattle, pigs, sheep, goats, poultry, *etc.*) used in agricultural research, teaching, or testing programs sponsored by OSU or conducted on OSU premises (*i.e.*, animals that are used or intended for use for production of food/fiber [meat, milk, eggs, wool, *etc.*] and/or animals that are used or intended for use for improving animal nutrition, breeding, management, production efficiency, or quality of food/fiber).
